# ACCIDENT NOTIFICATION FORM

THIS FORM IS APPROVED BY THE MOTOR ACCIDENTS AUTHORITY OF NSW. IT IS TO BE USED FOR NOTIFICATIONS MADE UNDER THE MOTOR ACCIDENTS COMPENSATION ACT 1999 FOR ACCIDENTS ON OR AFTER 1 APRIL 2010

If you have been injured in a motor vehicle accident in NSW, you may be immediately entitled to up to \$5,000 for your treatment expenses and lost earnings regardless of who was at fault.

#### You need to:

- 1. identify the registration number of the vehicle that caused the accident
- 2. report the accident to the police if they did not attend the accident scene and obtain a police event number
- 3. complete the declaration on page 5 and get your doctor to complete the medical certificate
- 4. call 1300 656 919 to find out the Green Slip or Compulsory Third Party (CTP) insurer of the vehicle that caused the accident
- 5. send your completed form to the CTP insurer within 28 days of the accident

The insurer will let you know within 10 days whether it will pay for your reasonable and necessary treatment expenses and lost earnings and will provide you with a reference number that must be used in all correspondence.

#### Your information is confidential

The information in this form will be treated confidentially. Only staff of the Motor Accidents Authority (MAA), CTP insurers and other approved bodies with proper legal authority are allowed to access your information and are restricted in how they use the information. You have the right to access and correct information about you held by the MAA or CTP insurers. If you consider:

- that your personal information has been handled incorrectly by the MAA, you can ask the authority to undertake an internal review or you may contact Privacy NSW
- that an insurer has handled your information incorrectly, you may contact the relevant insurer for an internal review or the Office of the Federal Privacy Commissioner.

CTP insurers are bound by national privacy principles. You may visit the licensed insurers' website or contact them directly to request information on how to access your personal information, seek an internal review or determine with whom they share the information.

#### Interpreter service

If you need an interpreter to help you understand this form, contact Associated Translators & Linguists on 02 9231 3288 during office hours.

#### **Need more information?**

If you have any questions, would like more information or need help completing this form, contact the Motor Accidents Authority's Claims Advisory Service on 1300 656 919 or visit www.maa.nsw.gov.au

#### **INFORMATION** FOR PEOPLE INJURED IN A MOTOR VEHICLE ACCIDENT

#### How do I complete this form?

You can only submit <u>one</u> Accident Notification Form so you will need to decide which vehicle you think caused the accident (or the vehicle that you think was most at fault) and provide the registration number of this vehicle.

You will also need to provide:

- the police event number,
- the registration numbers of other vehicles involved in the accident, and
- a brief description of the accident and details of your role in it

If you are seeking reimbursement for your lost earnings you must provide details of your employment situation and income before the accident as well as details of any income you have lost as a result of your injuries. The insurer may ask you for additional information to verify your income loss. This additional information can include things such as pay slips, tax returns or information from your employer confirming your employment details.

You are required to make a declaration on page 5 that your injuries are a direct result of the motor accident. By signing the declaration you will also be giving the insurer permission to contact and obtain information from individuals or organisations about the information provided in this form.

This form also includes a medical certificate, which must be completed by your doctor. It will include details of your injuries, the results of any medical investigations and recommended treatment in addition to certifying the period of time off work you will need.

#### Where do I send the form?

Send the Accident Notification Form to the Compulsory Third Party (CTP) insurer of the vehicle that caused the accident. If you don't know who this insurer is, contact the Motor Accidents Authority's Claims Advisory Service on 1300 656 919 for assistance.

#### What do I do if I was the driver at fault?

The Accident Notification Form provides for treatment expenses and lost earnings up to \$5,000 regardless of who was at fault. If you were the driver at fault, you should send your completed Accident Notification Form to the CTP insurer of the vehicle you were driving at the time of the accident. You can still access the benefits available under the Accident Notification Form, however you may not be eligible to make a full claim for compensation under the Motor Accidents Scheme.

# What happens if I can't lodge my Accident Notification Form on time?

If you cannot lodge your Accident Notification Form within 28 days of the accident you will need to make a full claim by lodging a Personal Injury Claim Form. Remember, you may not be eligible to make a full claim if you were the driver at fault.

# What if I can't identify the registration number of the vehicle that caused the accident?

You cannot use this form if you are unable to identify the vehicle that caused the accident, for example, if your accident was a 'hit and run'. You will need to complete a Personal Injury Claim Form instead. Contact the Motor Accidents Authority's Claims Advisory Service on 1300 656 919 for assistance.

# What happens once the insurer receives my Accident Notification Form?

The insurer will let you know within 10 days whether they admit 'provisional' liability in relation to your motor vehicle accident. Provisional liability means that the insurer accepts responsibility for the cost of your treatment expenses and lost earnings, up to \$5,000. It does not mean that they will agree to pay other expenses or compensation.

The insurer will provide you with a reference number to assist you to access treatment and to be used in all correspondence with the insurer.

#### What treatment expenses will the insurer pay for?

Once provisional liability is admitted, the insurer is obliged to pay for treatment expenses that are reasonable and necessary. The insurer may use approved treatment guidelines to decide what is reasonable and necessary.

#### What do I do with my treatment accounts?

Your treatment accounts should be sent to the insurer, including the account for completion of the medical certificate by your doctor, as soon as possible after you receive them. You should make sure that all accounts are clearly marked with your name and the reference number given to you by the insurer.

#### When will the insurer pay me for my lost earnings?

The Accident Notification Form provides a combined total of \$5,000 for treatment provided and loss of income sustained within six months of the date of the accident. In paying these expenses, the insurer must give priority to payment of treatment expenses which means they will pay these expenses before making any payment for lost earnings. For this reason, the insurer will not make payment for any loss of income until the end of the six month period following the accident.

### What happens if my expenses are greater than \$5,000?

If your treatment expenses and lost earnings are more, or are likely to be more than \$5,000 in the first six months you may need to make a full claim for compensation under the Motor Accidents Scheme (see 'Am I eligible to make a full claim?').

You may also like to make a full claim if you wish to claim other compensation such as payment for your pain and suffering.

#### Am I eligible to make a full claim?

You may be eligible to make a full claim under the Motor Accidents Scheme if:

- you can demonstrate that a driver or owner of a motor vehicle, other than yourself, was partially or completely at fault
- you were injured in a blameless accident, for example, an accident resulting from the sudden illness of the driver, such as heart attack or stroke, or vehicle failure such as a tyre blow-out.

If you were under 16 years old at the time of the accident and residing in NSW, you may be able to make a full claim for hospital, medical, rehabilitation, pharmaceutical, respite care and attendant care expenses regardless of who was at fault

# You may $\underline{not}$ be eligible to make a full claim if you were the driver completely at fault.

For more information about who can make a full claim for compensation, contact the MAA's Claims Advisory Service on **1300 656 919**.

#### When should I make a full claim?

You should make a full claim by submitting a Personal Injury Claim Form to the CTP insurer if:

- you are unable to lodge the Accident Notification Form within 28 days
- you cannot identify the vehicle that caused the accident

To make a full claim, **you must submit a Personal Injury Claim Form no later than six months from the date of the accident.** Your claim may not be accepted if it is not received within six months. You can obtain the claim form from the insurer of the vehicle that caused the accident or you can download it from <a href="www.maa.nsw.gov.au">www.maa.nsw.gov.au</a>

# What happens to my Accident Notification Form if I make a full claim?

If you make a full claim by lodging a Personal Injury Claim Form, the insurer does not have to make any further payments under the Accident Notification Form.

#### What compensation can I get if I make a full claim?

Depending on the circumstances of your accident, you may be entitled to compensation that includes:

- reasonable and necessary medical, pharmaceutical, rehabilitation, respite care and attendant care expenses
- other expenses and economic losses e.g.
   loss of income and out of pocket expenses
- non-economic loss (payment for your pain and suffering) if you have a serious, permanent injury
